First Holy Eucharist

Holy Angels Parish warmly rejoices with its children who received the Lord in the Most Holy Eucharist on Saturday, May 4th. It was a joyful and beautiful celebration. Our new First Communicants now have the opportunity to regularly receive their Savior who wishes to share his love and his very life with them as they continue their life's journey. May they and their families always be faithful to Jesus as He is to them.

I offer a special note of thanks to all who helped with the day's celebrations; a lot of time and effort went in to make our First Communion special. Thanks to our Director of Religious Education, Karen Caso, and the teachers and catechists for their hard work; it is clear that you love our children very much.

The Month of Mary

It is a perfect segue to write about devotion to the Blessed Mother following mention of the Holy Eucharist. Christ our Lord would not have been able to give us Himself to us in the Eucharist if our Lady had not given him to us first in his humanity. Mary's role as mother of Jesus in the economy of salvation as laid out in God's plan is indispensable. Not only does Mary, as mother, bring forth the Lord to the world, but also as the perfect disciple she shows us the way to follow him. The month of May has long been dedicated to Mary, to honor her and to ask for her intercession. One of the best methods of doing both is to prayerfully recite the Rosary. Saints, popes, holy people for generations have emphasized the value of the Rosary in bringing one closer to the Lord. At each critical stage of the Lord's life from the annunciation and birth, to the very beginning of Christ's public life initiated at his mother's behest at the wedding at Cana, to the very end of his public life as he is dying on the cross, his mother is present as an abiding presence in his life. Now in heaven she still abides with her son, our Lord, continuing her mission of bring the Lord to the world and leading the world to him. The Rosary helps to commemorate key events in the life of Christ and through our fruitful meditation on these saving events; we can through Mary's intercession, obtain the grace to live the kind of faithful discipleship that she lived. I enthusiastically urge everyone to pray the Rosary often, not just in May. I especially encourage families to pray the rosary together. Although there might be a bit of awkwardness in the beginning, stick with it, for praying together as a family offers such tremendous spiritual benefits it is hard to overestimate.

Don't think regularly praying the Holy Rosary won't have a significant impact in your lives. Our Lady has a history in responding with her intercessory ability with her Son. The first miracle of Jesus at the wedding at Cana was from the inspiration of our Lady. And let's not forget about 450 years ago when Europe was on the verge of being overtaken by the invading Turkish Muslims. On October 7, 1571 the Battle of Lepanto, near Greece, took place between the vastly superior Turkish naval forces and the much smaller patchwork Catholic navy made up from a few countries. Pope Pius V, ordered the churches of Rome opened for prayer day and night, encouraging the faithful to petition the intercession of the Blessed Virgin Mary through the recitation of the Rosary. Despite the odds against the outnumbered Catholic forces, they prevailed. The battle was a turning point in repelling the Turkish invasions of Europe. To remember the battle and Our Lady's intercession, the feast of Our Lady of the Rosary was established on October 7th. Pope Pius V. Clearly, Jesus responds to his mother's requests. Pray that Rosary!

God bless you,
Father Joseph Byerley
