## Saint Bonaventure on how to read Sacred Scripture

Saint Bonaventure (1221-1274) a Doctor of the Catholic Church explains that just reading Sacred Scripture is not enough. One can only properly understand the Scriptures if he already has the truth Faith. Bonaventure explains that the Scriptures are a gift for the ultimate purpose of leading us to Heaven. The Scriptures are a guide if only we know the destination, which is eternal beatitude with the Holy Trinity and all the Saints. This doesn't mean that reading Sacred Scripture without faith is pointless, since God's grace is always active - after all it was through reading the bible that St. Augustine was drawn to the Christian Faith. Nonetheless, faith is an essential element for us to receive the full spiritual profit of Sacred Scripture. Read it with faith, and let the full force of the Jesus the Word of God fill your hearts.

God bless you,  
Father Joseph Byerley

From *Breviloquium* by Saint Bonaventure:

*From all this it follows that it is impossible for anyone to start to recognize Scripture for what it is if he does not already have faith in Christ infused into him. Christ is the lamp that illuminates the whole of Scripture: he is its gateway and its foundation. For this faith is behind all the supernatural enlightenments that we receive while we are still separated from the Lord and on our pilgrimage. It makes our foundation firm, it directs the light of the lamp, it leads us in through the gateway. It is the standard against which the wisdom that God has given us should be measured, so that no-one should exaggerate his real importance, but everyone must judge himself soberly by the standard of the faith God has given him.*

*The substance and fruit of holy Scripture is very specific: the fullness of eternal happiness. For this is what Scripture is – its words are words of eternal life, and it is written not just so that we should believe, but specially so that we should possess eternal life in which we may see, and love, and have all our desires fulfilled. When they are fulfilled, then we shall know the superabundant love that comes from knowledge, and so we shall be filled with all the fullness of God. God's Scripture tries to lead us to this fullness, and to the truth of the preaching of the apostles. It is to this end, with this intention, that we should study holy Scripture, and teach it, and hear it.*

*If we are to follow the direct path of Scripture and come straight to the final destination, then right from the beginning – when simple faith starts to draw us towards the light of the Father – our hearts should kneel down and ask the Father to give us, through his Son and the Holy Spirit, true knowledge of Jesus and of his love. Once we know him and love him like this, we shall be made firm in faith and deeply rooted in love, and we can know the breadth, length, depth and height of holy Scripture. That news can then lead us to the full knowledge and overwhelming love of the most holy Trinity. The desires of the saints draw them towards the Trinity, in which all that is good and true is and finds its completion.*

Incarnation Pre-Cana Team will host an in-person Pre-Cana on Friday, April 1 and Saturday, April 2. Interested couples, please contact Incarnation Church parish office at 856-468-1314.

#### STEWARDSHIP LIVING

*"John answered them all, 'I baptize you with water; but he who is mightier than I is coming...he will baptize you with the Holy Spirit...' "* - Luke 3:16

The Catholic Catechism states that "Jesus' immersion in the water is a sign for all human beings of the need to die to themselves to do God's will." In other words, as baptized Catholics living in Stewardship, there is only one gift that we need to give to Jesus – the gift of ourselves. Surrender yourself to God, place your trust in Him and allow the Holy Spirit to work through you for the greater glory of God.

Dear Holy Angels Family and Friends,

At Holy Angels we are A Catholic School – *rooted in Sacred Scripture and Catholic Tradition with faith to grow spiritually...* We are a family with teachers who care and students who make our world a better place. Our faculty and parents work together to provide a nurturing environment for our students. Our teachers are committed to helping students to develop the knowledge, talent and lifelong skills required to succeed. And our students continue to participate in daily prayers, liturgies, and community outreach projects in their school and parish.

Last year, your generous support of the Annual Fund helped us to raise over \$10,000 in donations. Once again, your support is necessary to continue our excellent educational programs. Our goal of \$15,000 can be reached with your generous support. Your tax-deductible gift, of any amount, will be a blessing that makes a difference.

In order to continue the high level of learning and safe environment, we need your help. The yearly tuition covers a portion of our essentials, but not all expenses. The annual fund is one way that you can help us with the necessary funds for this school year.

Our goal is \$15,000 and can be met with your donation. Please help us with a donation. Every gift is a blessing to our school and every blessing counts!

Please send your donations to school or you may DONATE online at:
