Forced Gender Ideology in NJ Public Schools

Please note: A day or so after I wrote this, Governor Murphy stated that there is going to be a "review" of the new standards he just signed into law. I am presuming that, thanks be to God, enough of this curriculum is becoming public and causing alarm among parents and begun to receive pushback. I expect this to be only a temporary pause in the attempted indoctrination of our children. Please be vigilant!

I have written about this before, but recent "updates" to the NJ state education curriculum standards, signed just recently by Governor Murphy, bears further comment. Starting in first grade...yes first grade, planned sex education lessons will include discussions on "gender identity" or perhaps a better term, "gender ideology".

For instance, a 30-minute suggested lesson called "Pink, Blue and Purple" aims to teach the 6-year-olds (6-year-olds!!!) to define "gender, gender identity and gender role stereotypes." It includes instructions for teachers to tell students that their gender identity is up to them. "You might feel like you're a boy even if you have body parts that some people might tell you are 'girl' parts," the lesson plan says. "You might feel like you're a girl even if you have body parts that some people might tell you are 'boy' parts. And you might not feel like you're a boy or a girl, but you're a little bit of both. No matter how you feel, you're perfectly normal!" For 6-year olds? Really? They don't even know their right hand from their left yet, but they can "know" their gender identity?

A suggested lesson plan for second-graders, titled "Understanding Our Bodies," includes an illustrated discussion of human genitals so kids as young as 7 can use "medically accurate names" for their private parts. Is this something we want the state to be teaching our barely out of infancy children? It is the God given right and duty of the parents to morally and spiritually form their own children, not a state surrogate forcing ideas that are often contrary to the Gospel of Christ onto the innocent and impressionable minds and hearts of children.

These two examples are part of a broader, K-12 health and sex education curriculum adopted by the New Jersey Board of Education in 2020 ("updated" just recently to include gender identity indoctrination) that goes into effect in September. So that means from first grade through twelfth grade (apparently kindergarteners are reasonably safe), your children are learning about human sexuality from their public school teachers who must follow a curriculum that is often explicitly opposed to what God has revealed in Sacred Scripture.

The purported purpose of this curriculum is to help students understand that all individuals should feel welcome and included, regardless of their gender, gender expression or sexual orientation. That is a legitimate goal and should be taught. But that can be done without an eleven-year indoctrination curriculum which essentially teaches that Christian values regarding human sexuality are bigoted and hateful and evil. That is unacceptable. Where is the room for someone who believes what God has revealed to also feel "welcome and included"? And while there is the possibility of parents opting the child out of this class, one would expect that the child would be looked at by his or her peers in a different manner for being absent, opening the child up to possible bullying or harassment.

It is abuse to destroy the innocence of children through this and a violation of the founding principles of our country to rob parents of their right to raise their children according to the religious teachings of their chosen faith. It's so distressing to me that our state government is forcing such a radical anti-Christian curriculum on our children, and sadly ironic that it is funded by our tax money.

While Catholic schools offer real protection and a great alternative from this madness, they can be too costly for some families. But the sacrifice seems more and more worth it with each new state "update". But for those whom private schools are out of reach...what about them? That is why parents need to know what their children are being taught in our public schools, and must speak up in defense of their children's innocence and the wellbeing of their souls.

God bless you,
Father Joseph Byerley

CAN YOU TRUST GOD? BY DR. TIM GRAY

To be a saint, we must trust God wholeheartedly. Since the fall of our first parents, however, humanity has been tempted to mistrust the Father's love for us. Scripture scholar Dr. Tim Gray takes us on a journey that addresses the perennial misconceptions about God, showing us that there is no reason not to follow Him.

EASTER THANKS!!!

Another absolutely wonderful Easter celebration at Holy Angels Parish! It is always a blessing to be able to celebrate the greatest days of our faith together!

As usual, St. Patrick's, St. Matthew's and the Parish Center were decorated beautifully by our dedicated parishioners who give so much of their time to make sure everything looks so wonderful. Many thanks to them!

Also, the music throughout the Triduum was spectacular. The tremendous dedication and commitment given by our Musicians and Cantors, our Priests, Deacons, Altar Servers, Readers and all and the countless and often unrecognized heroes who did a fabulous job and really helped to make the celebration of the Lord's Resurrection glorious and profound. We have such a great parish made up of great people who love the Lord. Thank you all for once again making our Parish's Easter so beautiful!!!!

Also, I can't fail to mention our Knights of Columbus and other parish volunteers who spent many hours over the weeks leading up to Easter to weed, mulch, and landscape our properties, making the outside as beautiful as the inside!

Thanks again to all, may the Lord bless you for your service!

PRAYER FOR PERSECUTED CHRISTIANS

O God of all the nations,
the One God who is and was and always will be,
in your providence you willed that your Church
be united to the suffering of your Son.

Look with mercy on your servants
who are persecuted for their faith in you.
Grant them perseverance and courage
to be worthy imitators of Christ.

Bring your wisdom upon leaders of nations
to work for peace among all peoples.

May your Spirit open conversion
for those who contradict your will,
that we may live in harmony.

Give us the grace to be united in truth and freedom,
and to always seek your will in our lives.

Through Christ our Lord. Amen.

APRIL IS CHILD ABUSE PREVENTION MONTH

Did you know...Child abuse comes in many forms. Most people identify child abuse as physically hitting a child. Neglect is also a form of abuse. Failing to provide a child with proper nutrition, housing and supervision can cause irreparable harm. Expectations that a child be an active participant in the care of home and family, or even age-appropriate jobs is a part of healthy development. But excessive demands can cross into a form of servitude that is beyond the societal norms. Child pornography is a form of sexual abuse, with real victims in every image. The viewing of these images is an offense against human dignity.

Did you know...Child abuse can occur in every culture and every socio-economic demographic. Research, especially that of the past 30 years, repeatedly shows this to be true. This same research indicates that the vast majority of child abuse occurs at the hands of someone known to the victim. Those who seek to do harm to children will pursue opportunities that provide access to children and may even ingratiate themselves into the home. You can protect children by implementing the safe environment protocols learned in the VIRTUS® Protecting God's Children sessions. Be ever observant and vigilant in all public and private settings.

Do you know...What is happening in the Diocese of Camden to protect children? Training is provided for all adults and youth to identify warning signs and to develop strategies for maintaining a safe environment for all.

A designated Victim Assistance Coordinator is available to receive reports and accompany victims through their journey.

A volunteer independent Diocesan Review Board assists Bishop Dennis Sullivan in the review of cases and makes recommendations for moving forward.

Every parish and school has a Safe Environment Coordinator who assists parish and school employees and volunteers with training and background checks if they have ongoing contact with children.

An audit is conducted by an independent firm to evaluate implementation of the *Charter for the Protection of Children and Young People*. Findings are incorporated with those of other dioceses and made available in an Annual Report.
