Back to School - Part 1

As we gear up for another academic year, before anything else, I want to once again wish the best and all God's blessings to all our Holy Angels Parish students and educators in whatever grammar school, high school, or university you are attending or working. I am praying for all of you that you may have a successful and good school year!

Also, I again want to highlight that from a Catholic perspective, the goal of education is to enable children to learn and develop - intellectually, physically, emotionally, and most of all spiritually - so that they can reach their full God-given human potential to contribute to the common good of society and to deepen their relationship with the Lord, leading to eternal salvation.

As you probably know, I was in Catholic education as a high school teacher at Paul VI High School for six years and I have learned how education plays a critical role in the development of young people. Having your children for about 30 hours a week, and usually even much more with sports and extracurricular activities, schools wield a tremendous influence on young people. That is why I strongly urge parents to show constant vigilance upon what is going on at the school(s) where their children are present, whether a Catholic school or not. Please talk to your children every day and find out what their teachers are saying in class. Be prepared to offer a response to them when you find that they are "learning" things that go against our faith, as well as affirming the good and true things that they are taught. This is especially important in our current cultural environment where there are many things in the state mandated curriculum for public schools that are contrary to the Gospel and harmful to our children.

Being intimately involved in the education of your children is not just the duty of parents, but also a great opportunity to bring the light of Christ and his love to them. Don't forget - the earlier the involvement starts and more constant it is, the less likely that it will seem intrusive to the children. Also don't forget to attend every possible event in which your children participate. They may not mention it, but you can be sure that your presence means very much to them.

Of course, the best thing any child can learn is how valuable a strong relationship with God is. That is why no matter what school children go to, it is essential they also attend the "school of faith" that has as its core faithful attendance to Mass on Sundays and Holidays. When we want our children to be good at math or any other subject, we tell them to study and practice the principles. It's no different with our faith. If we don't practice it, we will lose it, and it might not be there when we need it. So above all, show your children you love them and take them to Mass, pray with them, let them know the love Jesus has for them. Both your children and the Lord will be eternally grateful.

God Bless you,
Father Joseph Byerley

CAN YOU SPEND ONE HOUR WITH OUR LORD IN THE EUCHARIST?

We need more people who are willing to commit to spending time with Our Lord on Fridays at St. Matthew's Church.

Maybe you and a friend want to share an hour (alternate weeks or split it and both do a half hour?)

We especially need more coverage 3:00 to 4:00, the hour of Mercy, as well as the evening hours.

If you can commit or are willing to be a substitute, please call/text Linda at 856-313-4199 or email: evangel@holyangelsnj.org

WOMEN NEEDED FOR THE SEVEN SISTERS APOSTOLATE!

If you are a woman, and willing to commit to praying for a particular Priest of the Parish for one hour on a particular day each week, then we need you.

We hope to ensure every Priest is receiving 2 Holy Hours per day to help them with their ministry in serving us and growing in holiness, while they help us to grow in holiness.

For more information or to sign up, email evangel@holyangelsnj.org or call/text Brenda @ 856-534-0400.

STEPHEN MINISTRY

A Stephen Minister is able to provide: a listening ear, a supportive perspective, and God's Word to help us through the challenges of life.

For those who want to come alongside and support others in a more intentional way, we provide training to become a Stephen Minister. Through the training, you will receive practical, hands-on learning and resources to provide Christ-centered care and meet the emotional and spiritual needs of others.

To learn how you can become a Stephen Minister—or how a Stephen Minister can help you or someone you know call: 856-931-1979.

We all need help from time to time, and your request for a Stephen Minister will be confidential.

FALL SCRIPTURE SESSION

The Scripture study this Fall will be **The Book of Genesis**. It will be a five sessions series covering the first half of this Biblical Book. (The Second half will follow.)

A study of the book of Genesis is an invitation not only to contemplate the creation story, but to remember with the Israelites **their ancestors in faith**. Part One of this study covers Genesis 1:1-25:18 (the "pre-history" of Israel including the creation accounts, the stories of the fall and the great flood, as well as the story of Abraham and Sarah). Commentary, study and reflection questions, prayer and access to online lectures are included.

As a believing community it is important to keep alive the cultural dimension of the Christian faith, and decisive value that biblical instruction has for issues of our time. It is not by chance that Sacred Scripture has been studied and commented upon for centuries by the generations that preceded us.

The program will begin, Thursday, September 14 at 7PM in the upstairs classroom of the Parish Center.

For those who can afford, offering is \$20 for the text. If there are difficulties with the fee, see me. We will be using as in the past the program from Little Rock Arkansas Scripture Study published through the Liturgical Press.

Please let me know ASAP of your intent so enough booklets can be obtained.
